## A Message from Ms. White and Ms. Hutchinson

We would like to take this opportunity to thank you for your continued support during our time at St. Michael. Although our time in this community has been brief, we have appreciated your commitment to your children's learning. In your children, we see future leaders, athletes, teachers, caregivers, technicians, architects and engineers. This is all possible with your strong partnership with the school. Mrs. Langdon and Ms. Bissonnette are excited to join the St. Michael school community and continue to support your goals for your children and your vision for the school.

We wish all families a blessed Christmas season. May this season of Advent and Christmas bring you peace, the gladness of Christmas give you hope, and the warmth of Christmas grant you love.

*Ms. White and Ms. Hutchinson*
